Pastor Training Seminar Said To Be "Best Ever!"

We thank God for how He blessed our entire 3 week trip to Haiti. Although the main purpose of this trip was to put on our Annual Pastor Training Seminar, He allowed us to get so many more things accomplished.

This year's course title was the **"Personal Spiritual Life"**. It is not only foundational to the believer's walk with the Lord, but it provided these men, both pastors and leaders, with many doctrinally sound and practical lessons and message outlines for teaching their own people back home. We were very thankful to hear Pastor Leon declare in his closing remarks, "You have brought us many courses, but this one was 'Number One'", speaking of the value he felt it was to them as a group. That feedback is very helpful to us as we plan for our future seminars.

Always a great privilege to gather and fellowship with such a group of dedicated servants.

Pastor Lucien Jean Marie Tours with Us in April

As we announced in last month's newsletter, Janice and I will be hosting Pastor Lucien from April 3 - May 6. What a unique servant of the Lord! We look forward to giving him the opportunity to update many of his supporters, while introducing him to others for the first time. Please pray for us while we make the 5-State Tour and minister in the many churches.

House Fire Leaves Pastor Faude's Family in Need

While we were so thankful to hear that everyone was safe, we were very sad to hear about the electrical fire that gutted Pastor Faude's rented house the Sunday before we arrived. This picture does not begin to convey the difficulty we found these folks in. Their faith remains strong, but they must seek another home. Please be in prayer for them. Some have already given toward their need.
