## Thanking God For a Successful School Partnership

With the help of a good number of you—churches, ladies' groups, couples and individuals all responding to a plea that we put out in our October prayer letter on behalf of the struggling Church School of **Pastor Leon Joseph**, Janice and I are thrilled to report on the HUGE difference those gifts and that partnership have made! Pastor Leon, his staff, the students, and the community of families that the **Frécyneau Baptist Church** ministers to have all been touched by that generosity!

Over the past several months, Pastor Leon and his school committee have had the resources to once again provide so many things that were missing: Books for the students and the teachers who had none, food for a meal program for children that came to school hungry, and, finally, salary enhancements for the staff that had been so grossly underpaid have all served to breathe fresh life into a failing school!

Although the staff is extremely dedicated, Pastor Leon shares that a real need is for more teacher training, so that they may gain even greater skill as Christian educators. Our hope is that during the month of March we can arrange for them to travel to another Christian School based in the city of Gonaives for a day of observation and learning. Janice and I have visited the **Coreluc** Ministry there and were very impressed with their school, the Haitian Staff, and the way the school was run.

So, while much has been accomplished, we invite you to consider joining those already at work to further "lift up the hands" of those serving under such difficult circumstances. Help us make a difference whereby God is glorified for years to come!

## Please Continue To Pray For The Haitian Church

People continue to ask us how things are going in Haiti. And we know that their expectation is that as time passes, the situation will simply improve and tensions lessen. Unfortunately, the opposite is true. We encourage you to Google "Haiti news February 2022". Violence and gang activity of all kinds continues to increase. Please pray that God will deliver these people, and especially the Christian Community, from this evil! Pray specifically for Pastor Gaunick and his family who had to leave their home to go and live in their rural church building to escape it all—Crazy!
