So Thankful...

Yes, Janice and I are so thankful for how God blessed the summer youth ministries of the men we partner with in Haiti! And while we may always say it, it is so true: **None** of those events, be it **VBS ministry** or the **Youth Camps**, would have been possible without the support of those of you who partner with us! That support may have come in the form of a specific prayer. Or, it may speak of a financial gift that you sent in; in many cases sacrificially, we know. But, as Paul writes in 1 Cor. 3:8 "He that plants and he that waters are one....But God gives the increase!"

One teen girl shared, "Because of this camp, I want to walk worthy of The Gospel!" Another: "This spiritual retreat reminded me that God has created and blessed me!"

Janice put together a collage of just a few select pics of those activities. *Please find that attached along with this ministry newsletter.* Please pray that the seeds that were planted and the professions that were made will **truly** bear fruit for His Glory!

So Burdened...

At a time when we would normally be raising funds to help with the launch of another school year, we are **STILL** trying to relay and explain to you all the horrible events taking place in Haiti — A land where widespread violence goes from bad to

worse! In fact, we grow tired of sharing such news, but it is sadly the ongoing reality on the ground.

The causes? It is both complicated and continually changing; more than we can deal with here. So, we recommend that you "Google it". **Further**, we of course implore you to continue to pray for the protection of the leaders and The entire Body of Christ there! Contact us for detailed information.
